He called me out during lunch break and confessed his feelings to me.
Sopho-more year Suzuki said he liked me,
and last summer I went to watch the fireworks with Nakai.
And even today, Sasaki from Class 2...
HEY...

It wasn't a lie.
But even if I call to mind the names of 100 guys, they're no match.
And that's scary.
Really scary.
That and...
